Sprint 4 Report

Heading:
Product Name, Team Name: Axon
Date: Monday December 02, 2024

Actions to stop doing: Stop implementing inconsistent coding styles.

Actions to start doing: Commenting on our code and explaining what each part does. Ensuring consistent spacing and structure of the code.

Actions to keep doing: Keep communicating and taking initiative in doing tasks. Asking for help when needed.

Work completed/not completed:
- **Completed**
  - User story 1: As a user, I want to attach text, files, or links to nodes so that I can include additional resources and context.
  - User story 3: As a user, I want to toggle between expanding and minimizing my notes so that I can focus on the background content when needed.
  - Backlog User Story 7: As a user, I'd like to theme the board to suit my needs.
  - Miscellaneous backlog tasks not associated with any user stories.
- **Not completed**
  - User story 2: As a user, I want to be able to work together with others because collaboration leads to more effective learning. (13)
    - We decided not to focus on this and instead spend our efforts trying to implement User Story 4.
  - User story 4: As a user, I want to distinguish between nodes and edges using colors and shapes by having comprehensive editing tools. (36)
    - We partially completed this.

Work completion rate:

- Total number of user stories completed: 3
- Total number of estimated ideal work hours: 25
